RE: Request for Modified Cost Share
Hurricane Michael

Dear Mr. President:

It was an honor to meet with you at the White House yesterday.

I write to you today to follow up on our conversation and to thank you sincerely for granting my request for 45 days of 100% Federal cost share for Hurricane Michael debris removal and emergency protective measures (FEMA Categories A and B). Your decisive action at this critical time will result in transformational improvement to recovery efforts. Hurricane Michael survivors and all Floridians will be profoundly grateful.

Per your request, please see attached the original letter we sent to your Office on January 18, 2019 detailing our Hurricane Michael recovery needs.

I look forward to continuing to work with you on behalf of the great state of Florida.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ron DeSantis".
