PRESENTATIONS	
DISCUSSION:	<p>Jill Gentry presented an update on National Adoption Day- there are currently 9 children available in Seminole, however four are in the process of being matched with forever families, leaving only five without potential matches at this time. Jill also reported that the CBC contract with DCF is up for bid. CBC of Central Florida did apply as the only applicant. They look forward to negotiations early in January. It is unclear at this time if it will be a 3 or 5 year contract. Jill thanked all partners for support of CBC for the current and past 10 years. CBCF in Seminole County is currently serving more kids in licensed out of care placements than in care. There are currently only 114 kids in care which is exceptionally low and less than 400 kids in the entire system of care for child welfare. Jill specifically complimented the Sheriff office, diligent reunification and lower recidivism.</p> <p>CAPTF-Chelsea Hilend is the new chair and reported for child abuse prevention task force. January's meeting will be on the 9th at the Sheriff's office. Community walk in November distributed resources in vulnerable areas of Seminole County.
