---

---

---

---

---

---

## Technology Collaboration Workgroup Recommends.....

1. Development of a sub-workgroup within the Technology Collaboration Workgroup to:
  - A. Review current data sharing agreements between agencies
  - B. Create standardized templates to be used by all CYC agencies
  - C. Develop criteria to include:
    - I. Deadlines for reviewing and signing agreements
    - II. User credentials
    - III. Data format

---

---

---

---

---

---

---

---

## Technology Collaboration Workgroup Recommends.....Continued

- This sub-working group will bring recommendations back to the larger Workgroup for their guidance and approval
