Re: Resignation of County Court Judgeship

Dear Governor Scott:

I am extraordinarily grateful for your recent decision to elevate me to Circuit Court Judge in the First Judicial Circuit. I very much appreciate the confidence you have shown in me by the appointment. I will do all that I can to diligently serve the people of the First Circuit.

As a result of my appointment to the Circuit Court bench it is necessary to vacate my current position. Accordingly, please accept my resignation from my current position as County Court Judge, Group Four, effective December 7, 2015, the date of my appointment as Circuit Court Judge.

If you or your office needs anything further with regard to the resignation or commission, please let me know. Thank you again.

Very truly yours,

Thomas V. Dannheisser
